DATE : APRIL 25, 2017.

P.C. :

1. Having heard both sides and finding that the main appeal has been heard by the Tribunal on merits, its judgment is awaited, this Appeal can be conveniently disposed of by clarifying that all the legal issues, and particularly raised by the appellant, are kept open. All contentions of both sides on such legal issues are also kept open. In the event the main appeal is decided by a judgment against the appellant, then, the Tribunal's judgment to that effect can be challenged in substantive proceedings and in such substantive proceedings, all contentions and grounds as raised in the present Appeal can also be raised. With this additional clarification and permission, we dispose of the present Appeal.

2. We would highly appreciate if the Tribunal endeavors and delivers a judgment and order in the main matters by 15th June, 2017.
