### COMMISSIONER OF STATE TAX, MAHARASHTRA STATE

GST Bhavan, Mazgaon, Mumbai 400 010, dated 4th October 2019.

Tax officials of the Maharashtra Goods and Services Tax Department (MGSTD) being a Model-1 State were using SAP based back-office automation platform for various back office functions relating to GST. Now officials of the MGSTD shall be using GST Back Office system due to migration as a Model -2 State. All back office functions, relating to GST, shall now be performed by officials on this GST Back Office system. This has also necessitated the changes in the designations of the officials and changes in the nomenclature of the Divisions and code (charge).

The designations of the officials and the GSTN code (charge) for the purposes of the new GST Back Office system are as mentioned in columns (5) and (6) respectively for the designations of the officials and the MAHAVIKAS code in the earlier SAP based system respectively, as referred in column (2) & (3) respectively.
